WELCOME

Welcome to the first Thornton Heath Arts Week. We have so much to celebrate with so much creativity happening around us! All the artists taking part are from Thornton Heath and are of all ages. It’s all just on your door step...

This week is to both highlight what is already happening in studios, halls and venues each and every week, and to create opportunities for new ventures and projects. So here’s to watching wonderful shows, seeing exhibitions, creating in workshops, listening to poetry and music, making art and trying taster sessions, created by and for our fabulous talented community. We hope you are inspired. Everyone’s commitment makes things happen and together look what we can do!

Thank you to everyone who has helped to make this a great first Arts Week and we are looking forward to next years’ already!

And the art goes on...
Come along to our information and taster sessions on 19th July at Thornton Heath Leisure Centre and find out more. We had such a big response from artists in Thornton Heath that we are organising another exhibition to house it all in November.
